THANK YOU for taking the time to learn how you can support the Junior League of Lake Charles, Inc. through our Community Partnership Opportunities.

The Junior League of Lake Charles, Inc. (JLLC), has been a vital part of Southwest Louisiana since 1933. We're a group of more than 600 motivated, educated, and influential women who are committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action of trained volunteers. Our members have been improving the lives of children and families in SWLA for 85 years!

In the last year alone, we have volunteered more than 5,000 hours and raised more than \$200k to support our community programs. We can't do it alone, though! The valuable contributions of our donors are vital to the success of our community outreach efforts, as well as our fundraisers: Mistletoe & Moss Holiday Market, Spring Gala & Auction, and Truck Fest.

We invite you to participate in a unique opportunity to align your brand and marketing goals with a volunteer organization that is comprised of a prominent group of women, who are building a better Southwest Louisiana. By supporting JLLC, your organization will play a major, and highly visible role in Southwest Louisiana. Aligning with our organization offers great benefits to your business while making a direct and positive impact on your community.

There are several ways to partner with us including event sponsorships, in-kind donations, and cash donations. Please take a minute to view our partnership opportunities. We appreciate your consideration and welcome the opportunity to work with you!

If you have any questions or interested in custom sponsorship packages, please do not hesitate to contact Tiffany Doiron, 2018-19 Resource Development Chair for more information at 337.436.4025 or by email- resource_development@jllc.net.
