

Grants, Scholarships and Programs Done in a Day (DIAD) Application

Our Mission: The Junior League of Lake Charles (JLLC) is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

The Junior League of Lake Charles, Inc. is proud to offer our “Done in a Day” program to lend a hand to your community event. Done in a Day (DIAD) is a committee that enables the League to assist community agencies which do not have a need for League volunteers on an ongoing basis, but may have a need to staff a one or two day special event or have a one-time need for extra volunteers.

JLLC Done in a Day volunteers respond to and reach out to our local community by providing trained volunteers to assist non-profit organizations with their special events.

Applications will be accepted from **6/1-12/31 and 1/1-4/30 of each year.**
Please email all completed applications to grants_scholarships@jllc.net.

Done in a Day (DIAD) Application

If you would like to engage with JLLC, please complete the form below. If approved, we will contact you within 30 days of receiving application.
